

## INSURANCE

All players (who are correctly & currently registered in the event) are provided a basic level of cover for accidental injury under the [Touch Football Australia National Insurance Scheme](#).

**If you have been injured while participating in a sanctioned\* touch football match, you must:**

1. **Report the injury** to your competition administrator immediately and obtain and complete an [Injury Report Form](#).
2. **Return the Injury Report form** to your administrator so that it can be signed by an official. They will provide you with a copy to assist you when you make a claim.
3. **Lodge a Claim Form Request** directly with SportsCover/JLT Insurance within 30 days of your accident or injury occurring by calling 1300 130 373 or via [touchfootball.jltsport.com.au](http://touchfootball.jltsport.com.au).
4. **Lodge additional documentation**, as required by SportsCover, within 90 days from the date the injury occurred.

For more information, head to [touchfootball.com.au/insurance](http://touchfootball.com.au/insurance), or speak to your local competition's administrator.
