Qld All Schools 2020 Update #2

TEAM NOMINATIONS

We are down to around 370 teams which is good as the amount of games required fits ok. Given there are no preliminary games we could not cater for any more teams than this. That is why we have been able to make some replacements from the reserve list. Note – that all entries are Qld schools only now.

BRISBANE CITY COUNCIL

We are still in discussions and we still await a final decision on sponsorship for the event. Not much we can do.

COVID PLAN & RISK ASSESSMENT

These have been completed and should be with you in the coming days unless we get further information to require further changes. Basically, with your help, we are more than happy with what we can achieve in ensuring a safe event.

TEAM REGISTRATIONS

To satisfy our COVID PLAN all participants (students and staff) will need to complete a full registration proforma which you will receive in the coming week or so. This will enable us to collect all the details we need to provide for contact tracing. The data will not be used in any other way. The usual team registration sheet showing player shirt numbers, player signatures and Principal endorsement etc. will still be necessary but not until much closer to the event. All these documents will be sent to teacher contacts and it will be their responsibility to ensure they are actioned. Copies will also appear on the website.

REFEREE UNIFORM

Please remember that your referees will be required to wear the official All Schools (pink) referee shirt at this year's event. They will be allowed to pay it off with their match payments or otherwise contact Inferno for pre orders.
