Qld All Schools 2020 UPDATE#3

COVID PLAN

A number of schools have enquired about the COVID SAFE PLAN for the event so they can complete excursion approvals etc. Please see below information.

This event will run under the Queensland Government's [Industry Approved COVID Safe Plan – Field Sports](#) and follows Queensland Touch Football's Return to Play Guidelines. This means we are not required to seek further approval from QLD Health. The food vendors at the event will be operating under the [Industry Approved COVID Safe plan – Food Services](#).

We are currently going above the Queensland Government's requirements by completing an additional COVID Safe Event Plan for the QAS. QLD Touch Football continues to work closely with the relevant Public Health units on this plan which will be onforwarded when available. Additional information regarding the Queensland Touch Football Return to Play Guidelines and the Industry Approved COVID Safe Plans – Field Sports can be found on the QTF website here:
