

COVIDSafe

Queensland Touch Football and the Queensland All Schools are dedicated to providing a safe environment for all players and spectators. The event complies with a Queensland Government approved Industry COVID Safe Plan – Field Sports and will have COVIDSafe preventative measures in place throughout the event.

Queensland Touch Football (QTF) are working closely with the Brisbane City Council and local public health authorities to ensure the Queensland All Schools (QAS) is delivered in accordance with all COVID measures and provides a safe and enjoyable experience for all attendees.

The following key principles will be implemented

- › QTF will implement best practice arrangements before, during and post the event base on advice from Government and Health Authorities
- › QTF will ensure participants, spectators and officials maintain and monitor physical distancing of 1.5m off the field of play.
- › QTF will enhance public hygiene measures before, during and after the event

We all need to play our part in protecting ourselves from COVID-19. Teachers will be responsible for ensuring their players/students/staff/referees abide by all COVID safe measures implemented at the QAS.

NO ONE SHOULD ATTEND IF THEY HAVE:

- COVID-19 or has been in direct contact with a known or suspected case of COVID-19 within the last 14 days
- Flu-like symptoms or who is a high health risk (e.g. due to age or pre-existing conditions)
- Travelled internationally or to a **COVID declared hotspot**

Management of Unwell Participants and any Potential Outbreak

Any participant feeling unwell will need to self-isolate immediately until arrangements can be made to vacate the venue.

The participants must produce a negative COVID-19 result before returning to the venue.

In the event that there is a confirmed case of COVID-19, Queensland Touch Football will follow directions from Queensland Health. The course of action dictated by Queensland Health is impossible to determine, but it may require the venue to be cleaned or, in an extreme case, the tournament may have to be cancelled.

Participants Tracing

All Participants, Referees, Coaches, School Contacts will be required to check in every time they attend the QLD All Schools venue.

This will be done via a QR code which will be provided around the venue and positioned within each school tent.

Spectators

Unfortunately, due to the current COVID-19 environment, **no spectators** will be allowed to attend the event.

Parents may drop off, pick up their child and carry out any activity deemed necessary to ensure their safety (i.e. waiting with them until a teacher arrives at the venue etc). However, Parents who linger to watch games will be asked to move on.

School Tents

All School contacts are required to complete the tent allocation form which was sent out last week.

Due to current COVID-19 restrictions QTF are working closely with the Brisbane City Council and the Public Health Unit to manage the COVID restrictions appropriately (i.e. social distancing requirements), whilst still providing shade and shelter to teams.

Therefore, there will be maximum numbers allowed under each tent, there is to be no co-mingling with other school's underneath tents and all persons are to practice social distancing.

School Coordinators will be responsible of ensuring the COVID safe requirements are met and if they are found to be in breach, the School may be asked to leave the venue.

The QAS will work under the 2m2 rule for all tents, a sign indicating the maximum number of people allowed under each tent at any given time will be in position and must be adhered to.

Access to Water

Due to COVID Restrictions we request each School ensures appropriate water allocations are brought to the venue for their players. Teams are not allowed to bring communal water containers.

No players are to share drink bottles, all participants **MUST** bring their own water bottle and enough additional water for the day. Water will be available to be purchased from the Vendor City and the BMTA canteen.

Post-Game

Teams must leave the field once their game is completed and head back to their tent in between games. Balls should be sanitised post games, it is the Schools responsibility to bring hand sanitiser and hand wipes to the venue, however there will be additional items for purchase at the venue. Once your team has completed their games for the day, please leave the venue immediately.

Food Vendors/Canteen

The QAS would prefer EFTPOS to be used over cash, however both will be available.

The BMTA Canteen and Vendor City will be operational during the event. These will be takeaway only; participants must purchase food and head back to the school tent to eat.

The BMTA clubhouse will have defined entry and exit points to manage pedestrian flow. In addition,

Sanitisation

All players, referees, coaches and managers must sanitise when they enter the venue, prior and post games and whilst eating. Hand Sanitiser stations will be positioned around the venue however we encourage schools to bring their own as well.

Announcements

Regular announcements will be made throughout the day reminding all patrons to practice social distancing, maintain good hygiene and abide by COVID safe practices.

Signage

Signs will be positioned around the venue reminding all patrons to practice social distancing as well as personal hygiene requirements.

All results will be available online via the QLD All Schools website under the results section - <https://qldallschools.com.au/results-and-fixtures>.

Toilets

Toilets will be available at the BMTA club house, these toilets will only be accessible from the back of the clubhouse.

Additional toilets have been brought in which will be positioned near the Cricket Club house and the Vendor City. These will be cleaned regularly throughout the day.

Event Staff

There will be QTF Staff positioned around the venue managing the COVID Safe Requirements and ensuring no congregating can occur. All directions from QTF staff MUST be adhered to and any school found to be in breach of these directions can be asked to leave the venue.

Presentations

All presentations will occur directly after the final match, this is to relieve large crowds and teams staying at the venue for additional time.
