INDIVIDUAL PLAYER REGISTRATIONS

As mentioned in previous communications to adhere to insurance guidelines ALL students, coaches and referees will need to register via mysideline for the Gold Coast Titans All Schools Touch Tournament.

Individual registrations are now open! A how to guide for registrations has been provided along with a direct link to your school's teams to make the registration process easier.

Click below to access the relevant document

If you have not been granted ADMIN access to your schools' teams, please contact dannette@qldtouch.com.au

Please note if you are having issues accessing the mysideline system on your school network please try on a non-school network (phone etc) as some school networks appear to have a security feature which is restricting site access.

OFFICIAL MATCH BALL

Your event levy includes one official ball per team entered. These have been distributed to some schools already and will be available for collection at the event.

The new ball is the International ball (approved by FIT) and as such we are the first to use it in a domestic Tournament.

It is a perfect fit for this event since the new design is slightly smaller than the current Steeden ball and probably more suited to younger competitors and females especially.

The ball must be used in all games and should you require further supplies orders can be made through Inferno.

CONDITIONS OF PLAY

You should be aware of all the Conditions of Play that relate to the event. Please check as some minor rules have changed from previous years.

Remember we are using the TFA 8th edition rules at All Schools.

DRAW 2021

A draft Draw or Version 1 is now available. Newcomers to this event should know that version 1 will no doubt evolve to version 10!

FINALS DAY

FIELD MAP

The proposed map of fields has been updated to be read with the current draw.

WITHDRAWING TEAMS

Understand that there may be issues which necessitate a team to be withdrawn however there are definitely no refunds for schools who withdraw teams now that the Draw is out.

TEAM UNIFORMS / REFEREE UNIFORMS

Please be aware that all participating schools must comply with the uniform policy. This is simply an effort to ensure that the event and its participants are attired as smartly and professionally as possible.

Note – that there can be no mismatch of items. A common one is for boys to wear a myriad of different shorts, black, blue, club league, boardies and all sorts of other combinations.

Referees will be instructed to report infringements and while a player/s may not be prevented from participating, the team may not earn any points for that game or worse, not be allowed to continue further. Please address these issues before arrival.

LIVE STREAM

This year's Gold Coast Titans All Schools will live stream across 2 fields (field 1 stadium) and field 18 (Rugby League club).

COMMUNICATIONS This is a polite request.

It is critical that during term 3 that all teachers responsible for their school's involvement at All Schools (referred to as School Contacts) adhere to communication responsibilities. Nothing makes the organisation harder than teachers who simply don't read information or more importantly – pass it on to others.

Please ensure you are across all requirements leading up to the event.

If you are not sure about anything – ask!

OFFICIAL PHOTOGRAPHIC SERVICES

In keeping with our intention to make the event the best touch tournament in the world we have secured the services of "Medal Shots".

The company has a very long list of sporting groups and successes and notably was the official photographer at the Gold Coast Commonwealth Games in 2018.

We are very enthusiastic about what Medal Shots can bring to an All Schools. While there is

definitely no obligation, we would ask any participant who may be keen to get a team photo or some action shots for themselves, team, school or Academy, to support our partner and simply check out the offers available.

Options will be advertised early so schools and students so that you can access this great service,

Finally, as part of our commitment to enhancing the event via photography we will provide each winning school in 2021 with a fully framed Team Photo for the school.

TENT REGISTRATIONS

We ask that all schools fill out the tent registration form so that we can accurately map out tent locations. The form will ask if you are bringing in your own tent(s) or if you require a third party to supply a tent.

If you require a tent from a third party, a quote will be available from our preferred supplier.

A tent location map with bump in details will be sent out closer to the event.

COVID UPDATE

Outdoor-based sporting organisations (including the Gold Coast Titans All Schools Tournament) are no longer considered restricted businesses.

Therefore, organisations are no longer required to comply with an Industry COVID Safe Plan or a COVID Safe Event Check list.

It is not possible for contact sports to observe physical distancing while undertaking activity, however physical distancing should be observed at all other times, where possible.

Whilst it's not mandatory we will encourage COVID Safe measures at the All Schools Tournament, including:

- Do not attend training or games if you have flu like symptoms
- Promoting physical distancing
- Promotion of good hand and respiratory hygiene
- Use of Check In Qld QR Code

- Regular cleaning and disinfection of frequently touched surfaces and equipment.

All Schools organisers will continue to monitor the fluctuating COVID situation and will adhere

to any and all directives from Queensland Health in the lead up to and at the event.

If the COVID requirements for the event change all schools will be notified.
